

WACYCP Agency Membership Fees and Benefits

Updated September 2016

There are two levels of membership fees for agencies seeking an agency membership:

Agency budget of \$500,000 or more	\$200.00/yearly dues
Agency budget under \$500,000	\$100.00/yearly dues

Agency dues are invoiced every year on the month of membership. All staff of the agency can receive the benefits as a result of the agency becoming a member. However, only the agency contact person will be placed on the mailing list. This person will receive all information pertaining to events and upcoming training opportunities. Staff of an agency can become either an individual member or certified member of the WACYCP by signing up on a separate application. The fee for an individual to become a member of WACYCP is \$25 per year.

The following are benefits that a member agency will receive:

1. Free and/or reduced fees at WACYCP sponsored trainings and conferences
2. Framed membership certificate and Code of Ethics
3. Acknowledgment on website, in special event and conference materials sponsored by the WACYCP
4. Opportunity to serve on WACYCP committees or on the Board of Directors
